Sambar	70 cms. Horn size
Cheetal	65 cms. Horn size
Hog deer	25 cms. Horn size
Elephant	All the males below 6' in height.

(12) The licensee shall not collect and pick up eggs and young ones of any species unless he is specifically authorised to do so for educational and scientific purposes or for display in zoos and museums or for any other purposes or reasons.

(13) Where the licensee injures any animal other than specified in the hunting or trapping licence by chance or in error, or where by any chance the licensee kills the female or male of any species which is sitting on eggs or is with its young ones who cannot fend for themselves, he shall inform the Wild Life Warden or his representative in the area immediately and shall assist the Wild Life Warden and his representative if any, in ensuring protection of the eggs or young ones in the way as may be required of him by the above said official.

(14) The wild animals trapping licence shall specify the method for the capture of wild animals specified therein.

(15) The holder of the licence for trapping wild animals shall capture only such wild animals and by such method as are specified in the licence issued to him.

(16) While hunting or trapping, the licensee shall carry the licence with him and shall, on demand, produce it for inspection before any officer appointed under sub-section (1) of section 4.

(17) The holder of a hunting licence for hunting special game, big game and small game shall not sell or barter to any person any animals shot by him or any meat thereof or uncured and cured trophy derived therefrom except in accordance with the provisions of the Act and the rules and without prior permission of the Chief Wild Life Warden or the officer authorised by him in this behalf.

(18) All the licences issued under section 9 shall be subject to the restrictions imposed by section 17.

(19) Any person —

(i) who is entitled to hunt a dangerous animal as provided in clauses (a) and (b) of sub-section (1) of section 11 and who wounds such an animal, shall follow up the wounded animal even if it enters a Wild Life Sanctuary or a National Park and kill it;

(ii) who is entitled to hunt such animals as are specified in the licence and who wounds such an animal shall follow up the wounded animal except when the wounded animal enters into a Wild Life Sanctuary or a National Park and kill it;

(iii) On his failure to do as prescribed under clauses (i) and (ii) of this sub-rule, the licensee

shall forthwith inform in writing, the licence issuing authority and the Wild Life Warden and the Deputy Conservator of Forests of the area in which such occurrence had taken place, giving reasons why the wounded animal could not be tracked and killed and in the case of dangerous animals, he shall also inform the Mamatdar of the area and the Sarpanch (s) of Gram Panchayat (s) and President (s) of Municipality or Municipalities of the adjoining areas of the existence of the wounded animal in the neighbourhood.

(20) For the purpose of a special game hunting licence and a big game hunting licence an animal which has been wounded and lost shall be deemed to have been hunted under the licence and the licensee shall forfeit the right to hunt another animal in the place of the one wounded and lost.

(21) The trapping of wild animals specified in Schedule I shall not be permitted unless the Chief Wild Life Warden is satisfied for reasons to be recorded in writing that such trapping is necessary under the provisions of sub-section (1) of section 11 or of section 12.

(22) The licensee shall not use any decoys of any kind or "Bhagwa" or any deception for killing, shooting and capturing any wild animals.

Explanation. — (i) Decoy is an animal, dead or living or any kind other than "Bhagwa" used for enticing and alluring wild animals.

(ii) "Bhagwa" is a saffron coloured sheet of cloth used for enticing and alluring animals.

(23) The licensee shall not employ any poison in any form or way including poisoning of baits for killing of any animals.

(24) (i) Any licensee wishing to organise beat (s) or drive (s) in a Government forest shall apply for permission to the Deputy Conservator of Forests concerned sufficiently in advance stating the time, date and the place, as to when and where he desires to have such beat (s) or drive (s). If the Deputy Conservator of Forests is of the opinion that such a drive should not be allowed, he may for reasons to be recorded in writing prohibit such drive and communicate the same to the licensee.

(ii) The beaters shall not carry guns, bows and arrows. They may however carry spears and axes.

(iii) Mechanically propelled vehicles of any kind shall not be used to stampede animals.

(25) Any machan or pit constructed for killing or trapping any animals should be dismantled or filled in on the completion of hunting or trapping under written intimation to the Range Forest Officer, Deputy Conservator of Forests, and the Wild Life Warden concerned.

(26) When any animal specified in Schedule II or Schedule III is killed, wounded or captured by the licensee, he shall immediately, before leaving the area specified in the licence, intimate in writing to the Wild Life Warden or his representative the particulars of such animal killed, wounded or captured by him.

(27) (i) No rifle under .30 bore shall be used for hunting big game and special game save in the case of elephant and gaur where except for 375 magnum, no rifle of a bore smaller than 400 HV shall be used.

(ii) The following weapons and methods of hunting shall not be used. (a) Muzzle loaders (b) Bows and arrows (c) Spears (d) Fire arms capable of firing more than one cartridge as a result of one pressure of the trigger or reloading itself without proper action by the operator (e) Shotguns capable of containing or holding more than two cartridges at any one time (f) Explosive projectiles, bombs, grenades, tracer bullets (g) Point two two (.22) rifles including Hornet, Savage, Re-mington except for shooting birds (h) Traps, snares, gintraps, pits, mist and other nets, set guns (i) capture or similar dart firing weapons.

(iii) No one shall approach animals being hunted in mechanically propelled vehicle or aircrafts to within 500 yards.

(28) When a licence is suspended or cancelled, the licensee shall not be entitled to refund of any amount of fee for the unexpired period of the licence.

(29) All animals or trophies or uncured trophies or meat of any wild animal, which has been killed or captured in contravention of the terms and conditions of the permit shall be deemed to be Government property under section 39.

(30) A licence shall not be valid during the period of 'closed time', declared in respect of any wild animal specified in the notification issued under sub-section (1) of section 16.

(31) The licensee shall not hunt in areas notified as national parks, wild life sanctuaries, game reserves, game or shooting blocks and other areas declared as closed for hunting, unless otherwise specified in the limit.

(32) The licensee shall not possess any live animal which is maimed or injured.

(33) The licensee shall not engage more than two non-licensees to assist him in his hunting except where beat or drive is to be organised.

(34) The licensee or any of his retainers or followers, shall be responsible for liability, if any, in respect of any wrongful act done under the Indian Forest Act, 1927 or any other law for the time being in force.

Explanation — For purpose of this sub-rule (a) 'retainer' means a person holding an arms licence and accompanying the licensee for assisting him during hunting, capturing or trapping of any wild animal; and

(b) 'follower' means a person employed by the licensee for rendering field assistance to him in connection with hunting, capturing or trapping of any wild animal.

(35) No licensee or his retainer or follower shall during hunting have in his possession a loaded

fire-arm while travelling in any vehicle or boat, nor shall he discharge any fire-arm from any vehicle or boat, whether stationary or in motion.

(36) The licensee shall while hunting or trapping any wild animal, carry with him his licence and on demand by any Forest Officer or any Officer appointed under sub-section (1) of section 4, produce the licence for inspection.

(37) The licensee shall, whenever required by the Chief Wild Life Warden or the Wild Life Warden or any Forest Officer, produce for his inspection the animal killed by him or the meat or the trophy collected by him from the animal killed.

19. *Maintenance of records of wild animals killed or captured under section 10.* — (1) The particulars of a record of the wild animals, other than vermin, killed or captured by the licensee, to be maintained under sub-section (1) of section 10 and the declaration referred to in sub-section (3) of that section shall be in Form IX.

(2) The particulars of animals specified in Schedule II or Schedule III, killed, wounded or captured by a licensee, under sub-section (2) of section 10, shall be submitted to the Chief Wild Life Warden or the authorised officer in Form X.

(iii) No one shall approach animals being hunted in mechanically propelled vehicle or air-crafts to within 500 yards.

(19) When the permit is suspended or cancelled the permit holder shall not be entitled to refund of any amount of fee for the unexpired period of the permit.

(20) All trophies or uncured trophies or meat of any wild animal, which has been killed in contravention of the terms and conditions of the permit shall be deemed to be Government property under section 39.

(21) A licence shall not be valid during the period of 'closed time', declared in respect of any wild animal, specified in the notification issued under sub-section (1) of section 16.

(22) The permit-holder shall not hunt in areas other than specified in the permit.

(23) The permit-holder shall not possess any live animal which is maimed or injured.

(24) The permit-holder or an organization or an institution may engage any body from outside to hunt the animals permitted to be hunted in the permit with the prior approval of the Chief Wild Life Warden and subject to the conditions that the Department, organisation or the institution shall be responsible for all acts of commission and omissions of the persons employed by them for the purpose.

(25) The permit holder or any of his retainers or followers, shall be responsible for liability if any, in respect of any wrongful act done under the Indian Forest Act, 1927 or any other law for the time being in force.

Explanation — For purpose of this sub-rule —

(a) 'retainer' means a person holding an arms licence and accompanying the licensee for assisting him during hunting, capturing or trapping of any wild animal; and

(b) 'follower' means a person employed by the licensee for rendering field assistance to him in connection with hunting, capturing or trapping of any wild animal.

(26) No permit-holder or any person accompanying him shall during hunting, have in his possession a loaded fire-arm while travelling in any vehicle or boat, nor shall he discharge any fire-arm from any vehicle or boat, whether stationary or in motion.

PART D

Shooting Blocks

25. *Notification of shooting blocks.* — (1) The Chief Wild Life Warden may notify any area within his jurisdiction other than sanctuaries, National Parks or Game reserves as shooting blocks by publishing it in the Official Gazette.

(2) Where shooting blocks exist at the commencement of these rules, or where the shooting blocks have been notified under sub-rule (1), the Chief Wild Life Warden shall determine every year—

(a) which of the shooting blocks are to be thrown open for hunting and trapping;

(b) number of animals/species mentioned in the Schedules II, III and IV which could be hunted and trapped in the shooting blocks referred to in clause (a).

26. *Hunting in shooting blocks.*—No hunting of any animal in a shooting block shall be done without:

(i) possession of a valid licence issued under section 9 of the Act;

(ii) payment of fees prescribed under these rules; and

(iii) issue of the reservation permit for the purpose by an officer authorized by the Chief Wild Life Warden in this behalf.

27. *Application for reservation of shooting block.*—

(1) An application for reservation of a shooting block shall be made by the Special Game, Big Game and Small Game licensee as the case may be, to the officer authorised by the Chief Wild Life Warden to issue the permit for the purpose not earlier than 90 days and not later than 30 days before the proposed date of hunting accompanied by his passport size photograph in triplicate and a treasury receipt from the Government Treasury or a Bank challan from the State Bank of India, Panaji, to the effect that the fees prescribed under rule 23 have been paid for the reservation of the shooting block.

(2) No application for the reservation of the shooting block shall be entertained unless the applicant possesses valid hunting or trapping licence under section 9 of the Act.

28. *Form of application for reservation of the shooting block.*—An application for reservation of shooting blocks shall be made in Form XIII.

29. *Fees for reservation of shooting block.*—The fees for reservation of each shooting block for a particular period shall be Rs. 50/- This fee shall be payable every time the application is made for reservation of a shooting block.

30. *Conditions governing issue of reservation permit.*—(1) Reservation of any shooting block for hunting and trapping therein shall in no case exceed 15 days at one time.

(2) No applicant shall be allotted more than one shooting block at one time.

(3) Where there are more than one application for the reservation of the same shooting block for the same period, the shooting block shall be allotted to the applicant whose application has been received first.

(4) The officer allotting the shooting blocks shall maintain a register in Form XIV giving the date of the application, date and time of the receipt of the application, particulars of the hunting licence, particulars of the shooting block requested for reservation, period of reservation, and whether the appli-

cant has been granted the permit or his application has been rejected and reasons for rejecting the same, number and date of reservation permit issued, period for which block has been reserved, date of entering and leaving the block, particulars of the animals killed or wounded in the shooting block, nature and number of offences committed and action taken against the permit holder, remarks and signature of the officer.

(5) The permit holder under these rules to hunt in a shooting block can take with him two persons having additional guns provided that they hold the valid necessary game licences issued under the Act and the rules.

(6) The officer allotting the shooting block shall specify on the reservation permit for each shooting block, the number and species of animals that may be shot within the block by the permit holder provided that he does not hunt in the aggregate more than the number prescribed in the licence issued under section 9 of the Act.

(7) The permit holder shall notify to the local officer specified in the reservation permit of his intention of entering the shooting block at least 72 hours in advance of his entering the shooting block wherein he has been permitted by the officer authorised by the Chief Wild Life Warden to hunt or trap.

(8) If the shooting block is not occupied by the permit holder within 48 hours of the date from which it is reserved in his name and fails to express his intention to avail himself of the reservation at a later date during the period for which the shooting block has been reserved, the reservation of the same shall stand cancelled.

(9) The Wild Life Warden or the officer specified in the permit may close the shooting block when the prescribed number of animals have been killed or trapped therein or for any other reasons.

(10) The permit holder shall keep details of the animals killed by him and report the same in Form XV in duplicate to the local forest officer specified in the permit before he leaves the shooting block. The local officer on receipt of the said report, the reservation permit, shall send one copy of it to the officer who has issued it.

(11) The reservation permit issued under rule 25 shall be non-transferable.

(12) Violation of any condition of the reservation permit and/or that of the licence issued under section 9 shall make the permit holder liable to forfeit his permit and a part or the whole of the security deposit made by him under rule 14(2) and pay such penalties and compensation as may be decided by the Chief Wild Life Warden and cancellation of the licence issued under section 9 of the Act. All such payments shall be recoverable from him as arrears of land revenue.

31. *Issue of reservation permit.*—(1) The Chief Wild Life Warden or the authorised officer on receipt of the application for the reservation of a shooting block in the Form prescribed under rule 28 shall, after making such enquiry as he may deem fit either accept or reject the application.

(2) Where the application for the grant of reservation permit has been accepted the applicant shall

be issued the permit forthwith and where the application has been rejected, the reservation fee received from the applicant shall be refunded to him expeditiously.

(3) The reservation permit shall be issued in Form XVI.

32. Cancellation of reservation permit.—(1) The permit issuing officer or the Chief Wild Life Warden may cancel the reservation permit issued under rule 31 for sufficient and good reasons to be recorded in writing.

(2) Cancellation of the permit for any reason shall not entitle the permit holder to claim refund of the reservation fee.

33. Denotification of shooting block.—The Chief Wild Life Warden may at any time denotify any or all shooting blocks by publishing it in the Official Gazette.

PART E
